## **The swap of Ring and Park festival tickets begins** **New edition scheduled for 11-13 June 2021**

With immediate effect, fans of the cancelled anniversary editions of **Rock am Ring** and **Rock im Park** can transfer their festival tickets to 2021. Using an online platform, refunds can be approved in a few, easy steps in the form of a swap. The next edition of the twin festivals at the Nürburgring and in Nuremberg takes place from **11 to 13 June 2021**.

As a thank you, those taking advantage of the current offer receive a Ring or Parkrocker loyalty package, including an exclusive anniversary baseball cap.

We will be announcing further options as soon as possible for ticket purchasers who have not yet decided to attend next year. Information on the line-up and the start of the pre-sale for 2021 is being prepared. The organisers want to expressly thank all festival fans for their patience, support and understanding.

Next summer, 175,000 festival lovers will then be celebrating 36 years of **Rock am Ring** and 26 years of **Rock im Park** and adding a new, emotional chapter to the history of the twin festivals following the end of the current state of emergency.
